

EXT. COLLEGE CAMPUS - DAY

On a grassy quad, JENNA, the school's tour guide, leads a group of 2 parents and 2 students.

JENNA

(peppy)

Hi everyone, welcome to Schmarvard College! My name is Jenna and I'll be your tour guide today. Does anyone have any initial questions?

ZACH

(bro-y, future frat boy)

Yeah. How soon can I rush Beta Kappa Phi?

JENNA

Oh yes, Greek Life! We have 6 fraternities on campus, and freshmen can rush-

GLORIA, an older alumnus dressed in college gear, cuts her off.

GLORIA

Back in my day, I was a proud sister of tri-alpha. Oh, the parties we threw! You could smell the booze from the football fields.

JENNA

(laughs nervously)

Oh, well we're actually a dry campus now. What year did you graduate?

GLORIA

Class of 1979! Goooooo artichokes!

JENNA

Welcome back to campus! Next, we're going to go through the campus center.

In true tour guide fashion, Jenna walks backwards.

JENNA (CONT'D)

Over here we have the career center, which will help you with internship interviews and cover letters.

JOY, a petite kid with a backpack, raises her hand.

JOY

What's a cover letter?

JENNA

A cover letter is part of a job application.

(To Zach and Joy)

Oh, I forgot to ask, when will you two be applying for admission?

ZACH

This year, class of 2025! Go 'Chokes!

JOY

I have to wait...

(Counts on her fingers)

Ten more years. I'm only a second grader.

JENNA

(surprised and confused)

Oh, okay...?

GLORIA

I just couldn't wait to bring Joy to campus! Gotta show her where her grandma had her glory days.

WALTER, a Dad in sunglasses and a baseball cap, walks up to Jenna.

WALTER

Hey, I just wanted to pass this along. You know, to look at as part of Zach's application.

Walter winks and hands Jenna an envelope. She opens it to find \$100 inside and hands it back.

JENNA

Oh, tour guides aren't involved with the admissions process. We're just here to show you around campus.

WALTER

Sure, sure.

Walter winks again.

JENNA

Okay, next up we have our student lounge. Here you can relax, study-

ZACH

Study? Nah, I won't have time for that, with all the BKI ragers I'll be throwing!

JOY

What's a rager?

GLORIA

Back in my day, we were partying from dawn 'til dusk seven days a week!

JENNA

Okay, uh, next up, we're going to check out our dining hall. We have lots of great food options on campus.

JOY

Do they have hot pockets?

JENNA

Uh, not usually.

ZACH

How late is the dining hall open?

JENNA

(releived)

Oh, that's a great question! It's open 24/7.

ZACH

Perfect. That way I can eat at 3am while I'm wasted.

Jenna sighs.

GLORIA

Oh back in my day my friends and I would be at the dining hall all the time! I went to third base behind that salad bar! Goooo artichokes!

While Gloria's talking, Walter walks back up to Jenna and hands her a briefcase. She opens it, finding stacks of 20 dollar bills. He winks harder. She hands it back.

JENNA

Again, I can't do anything for your student. This bribe is useless.

JOY
What's a bribe?

JENNA
(fighting to keep up her
positive spirits)
Okay! Lastly, we're going to see a
dorm room. We have 10 buildings on
campus, and most of them are co-ed
floors with suite-style bathrooms.

ZACH
Oh hell yeah, I can't wait to do
some floor-cest.

JOY
What's floor-

GLORIA
Oh back in my day, I got it on with
alllll the boys in my dorm! At
once! They were fighting about who
could put the sock on the doorknob!

Jenna sighs, realizing this has gotten out of hand.

JENNA
All right everyone, I'm going to
have to bring you back to the
admissions building. I have class
soon.

GLORIA
Oh dear, I can take over! I know
Schmarvard like the back of my
hand. Over there is where I banged
17 English Phd's in one weekend...

Joy and Zach follow Gloria. Jenna sighs in relief. Then,
Walter hands her another envelope.

WALTER
Will this change your mind?

Walter winks so hard his contact falls out and he kneels down
to find it. Jenna opens it up to find a note saying "I WILL
PAY OFF ALL YOUR STUDENT LOANS".

JENNA
You know what? Yes it does.

They shake hands. Jenna walks backwards into the sunset.
